

**U.S. Environmental Protection Agency  
Announces its intent to amend the Record of Decision  
For the JIS Landfill Superfund Site**

The U.S. Environmental Protection Agency (EPA) will hold a public meeting on Tuesday, August 18, 2009 from 7:00 pm to 9:00 pm at the South Brunswick Township – Main Meeting Room, 540 Ridge Road, Monmouth Junction, New Jersey to discuss proposed fundamental changes to the August 1995 Record of Decision (ROD) issued by the EPA with concurrence by the New Jersey Department of Environmental Protection (NJDEP) for the Jones Industrial Sanitation (JIS) Landfill Site (Site) located in South Brunswick, New Jersey. EPA is proposing that the existing biosparge pilot project replace the ground water extraction and treatment remedy for the primary plume that was selected in the 1995 ROD.

Before selecting the final remedy, EPA will consider oral comments presented at the public meeting and written comments received on or before August 28, 2009.

Copies of the Post-Decision Proposed Plan and the Administrative Record for the site are available at the following locations:
